

Arkansas Basin Roundtable

PLANNING OUR
WATER FUTURE

July 16, 2018

VACANCY ANNOUNCEMENT: AT-LARGE ENVIRONMENTAL REPRESENTATIVE

The Arkansas Basin Roundtable has a vacancy for a voting member: At-Large Environmental Representative.

Pursuant to Colorado Statute, C.R.S. § 37-75-104(4)(a)(V), one of the ten at-large members of the Arkansas Basin Roundtable is to represent “environmental interests” and to be selected by the roundtable members from those qualified persons (residing in the Arkansas River Basin and ideally having a mature understanding of water issues in the basin) to be nominated by a “regionally, statewide, or nationally recognized environmental conservation organization that has operated in Colorado for at least five years.”

The Arkansas Basin Roundtable is seeking nominations for this position. As described above, candidates must be nominated by an organization rather than by self-nomination. Please send a letter with name, contact information, and a brief description of your nominee that includes their qualifications and why you think they would be a good fit for this position. A longer letter is acceptable, but please include a one-paragraph description that can be used prior to the voting process.

Nominations will be accepted through September 15th, and the new representative will be selected at the October roundtable meeting, our annual meeting.

In the meantime, please encourage potential candidates to attend the monthly meeting of the Arkansas Basin Roundtable. Meetings are held at 12:30 pm on the second Wednesday of each month, at Pueblo Community College, Student Center, 900 Orman Avenue, Pueblo, CO 81004. The Executive Committee meets prior to the Roundtable meeting, beginning at 10:30 am, in the same location, and is open to the public. Email the roundtable secretary at elise.balancedmgmt@gmail.com to be added to the email notification list, or for more information about the roundtable. More information is available at www.arkansasbasin.com.

The position of Environmental Representative is a vital one. Candidates must be able to take a broad view of water issues in the entire basin, as they will represent all environmental interests and issues in the Arkansas Basin.

Submit nominations in writing to: Sandy White (Chairperson, Arkansas Basin Roundtable)
c/o Balanced Mgmt Services Co.
P.O. Box 1834,
Colorado Springs, CO 80901

Or by email to: Sandy White: sandyw@white-jankowski.com AND
