

# Arkansas Basin Roundtable

PLANNING OUR  
WATER FUTURE

*Our next meeting will again be a working meeting. Box lunches will be available at noon and the meeting will convene at 12:30. A key part of this meeting is to allow Round Table Representatives to give personal input on the Basin Implementation Plan. Please be prepared to voice concerns about goals, content, exclusions or inclusions you feel should be made or other qualitative input to improve the emerging document as we move into Phase 2.*
