Gracy Goodwin	UAWCD	Cottonwood Dam and Spillway Project
Kathleen Drenckhahn	The Fruitland Water Company	The Fruitland Water Company Irrigation System Upgrade

Arkansas Basin Roundtable

PLANNING OUR
WATER FUTURE

- Motions or Actions:

Three applicants received support from the committee members to move their applications forward. The 3 applicants were Lamar Canal and Irrigation Company, Arkansas River Basin Water Forum, and the UAWCD. The Fruitland Water Company was given direction to continue gathering more information and continue working on their application and bring it back to the roundtable when the details are more complete.

- The meeting was adjourned at 2:40pm.
