Matt Heimerich (to Everyone): 10:38 AM: optimization of existing ag water supply and complementary storage features

Chris Woodka (to Everyone): 10:39 AM: Supportive activities for the Arkansas Valley Conduit. We are moving forward with building the AVC and attempting to reduce costs to participants.

Scott Lorenz (to Everyone): 10:42 AM: Projects focused on decreasing the augmentation water supply gap. New storage, recharge ponds, augmentation stations.

Shiloh Freed (to Everyone): 10:44 AM: can we discuss projects that we

mentioned to Mike

Scott Lorenz (to Everyone): 10:44 AM: Needed throughout the Lower Arkansas Basin

steve kastner (to Everyone): 10:45 AM: Remote control of river diversion structures to improve Trinidad Project administration and prevent loss and waste of available water supplies.

Carrie Adair (to Everyone): 10:52 AM: Watershed Health-funding for forestry mitigation, cut to length in particular, to reduce high severity wildfires that then would help reduce sediment going into the reservoirs

Greg Felt (to Everyone): 10:59 AM: I would add this to the front end of Carrie's forest health comment: "Develop a mechanism for basinwide participation in..."

Carrie Adair (to Everyone): 10:59 AM: Funding to help farmers, ranchers to fix their diversions structures after a post wildfire flood

Bob Hamel (to Everyone): 11:02 AM: Possible proponents of Enviro/Rec projects at Great Plains, Adobe Cr, Blue Lakes, Two Buttes should call in to our committee meeting on the 28th to further this discussion.

Scott Lorenz (to Everyone): 11:15 AM: Need to cross pollinate ideas between upper and lower Arkansas. We are all connected.

Amber Weber (to Everyone): 11:16 AM: Yes, Scott that is a next process. Thank you for your feedback!
