

July 2019: Basin Roundtable Updates from CWCB

July CWCB Board and IBCC Meeting

[July 17 - 18, 2019](#) at Colorado Mountain College, Climax Building at 901 South Highway 24 Leadville, CO 80461
The IBCC meeting will take place in conjunction with the second day of the board meeting on Thursday, July 18th.

Water Plan Analysis & Technical Update

The Analysis & Technical Update to the Colorado Water Plan (formerly SWSI) is complete! The preliminary release day is Thursday July 18th and coincides with the joint CWCB Board and IBCC meeting. [Check out the website here](#) to browse draft resources and data.

August 1st Grant Deadlines

The purpose of the Water Plan Grant funding is to make progress on the critical actions identified in the Colorado Water Plan and its Measurable Objectives. The next application deadline is **August 1, 2019** with final board approval in November 2019. [See the website](#) for grant guidelines and application materials.

The Water Supply Reserve Fund ([WSRF](#)) Grant Program assists water users in addressing their critical water supply issues. The next application deadline for WSRF grants *with a statewide funding component* is **August 1, 2019**. Statewide applications are brought before the CWCB board twice a year (in March and September).

C-9 Statewide Summit of Colorado's 9 Basin Roundtables

Interested in attending the C-9 Statewide Summit of Colorado's 9 Basin Roundtables? Lodging and transportation details have been added to the [Eventbrite page](#). Room block rates are subject to availability so book now! A limited amount of CWCB financial support is available for roundtable member travel and lodging cost - inquire with your roundtable chair.

Demand Management 2019 Work Plan: 1st Regional Workshop August 22nd

The CWCB Project Management Team will release periodic updates on progress and accomplishments relating to the 2019 Work Plan for Intrastate Demand Management Feasibility Investigations. The first regional workshop has been scheduled for Thursday, August 22nd to be held in conjunction with the [summer conference of Colorado Water Congress](#) at the Steamboat Grand Hotel in Steamboat Springs.

In addition, a Workgroup Orientation [Webinar](#) has been scheduled for July 15th, 1-4pm. While this webinar is tailored toward workgroup participants to review the DCP process and workgroup process, it is open to the public.

Stream Management Plan Resource Guide

The River Network and CWCB are excited to announce the launch of a Resource Guide for developing Stream Management Plans! [Coloradosmp.org](#) will advance the knowledgebase of how to craft effective and implementable Stream Management Plans. [Check it out!](#)
